

Express-AM2 at 80°E Satellite details

Orbital Position: 80° E

Manufacturer: ISS Reshetnev

Launch date: 30 Mar 2005

Launch vehicle: Proton K

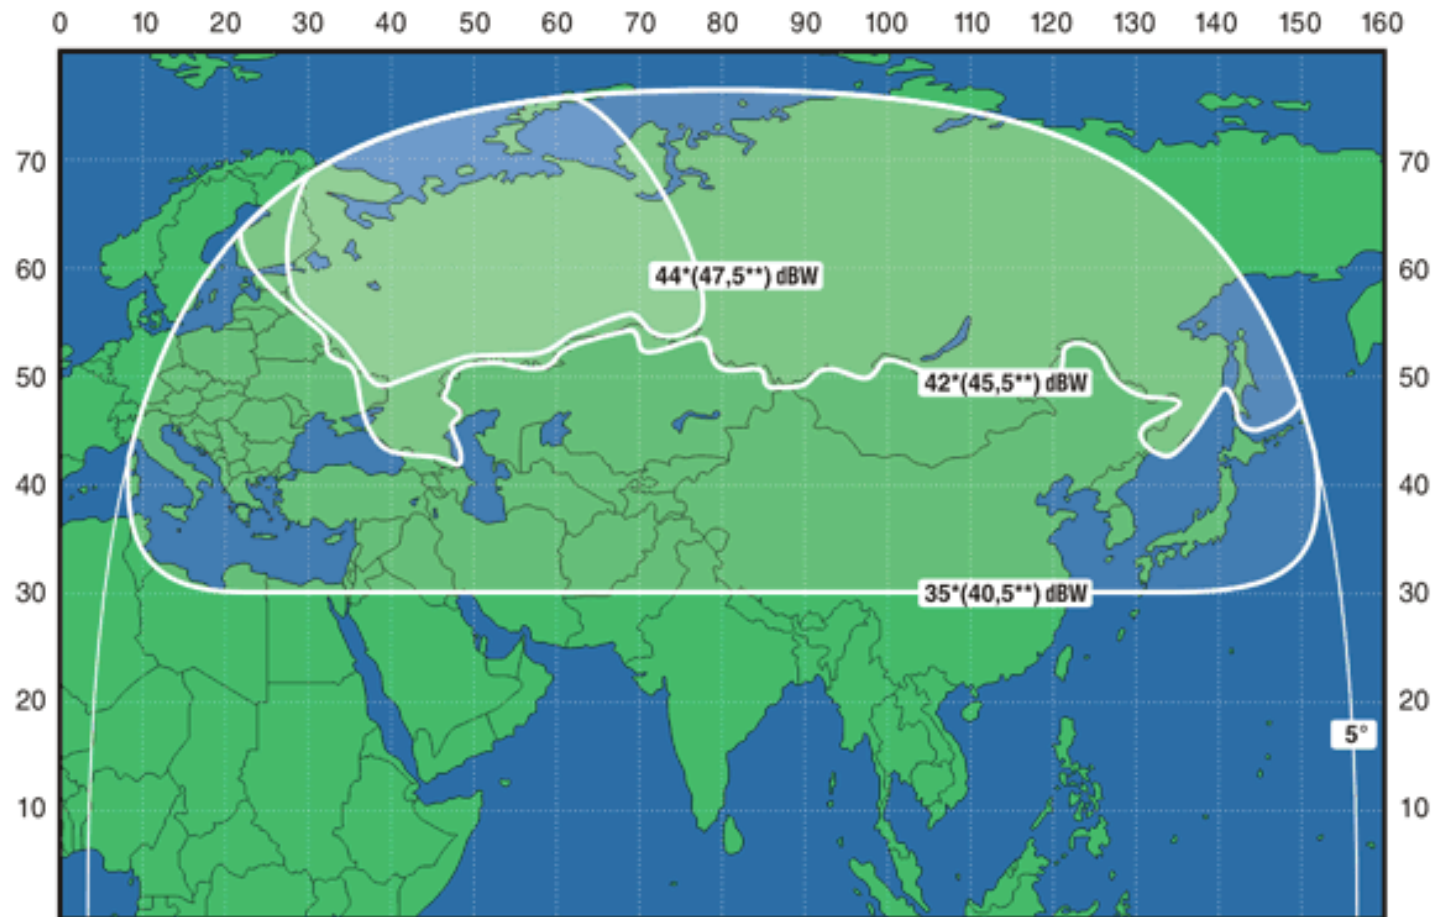

Expected lifetime: 12 years

Communications Payload

	C-band	Ku- Band	L-Band
Active Transponders:	16	12	1
Transponder Bandwidth:	-	-	-
Coverage:	East Russia, Europe, North Africa, Middle-East (MENA), Atlantic Ocean		

Express-AM2 satellite (80°E) Downlink coverage, C-band

Express-AM2 (80°E) Downlink coverage, Ku-band
