

China Satellite Communications Co. Ltd.

ChinaSat-M at 125°E Satellite details

Orbital Position: 125° E

Manufacturer: China Academy of Space Technology

Launch date: 27 Dec 2015 (estimated)

Launch vehicle: LM-3B/E

Expected lifetime: 15 years

Communications Payload

	C- & Ku-Band
Active Transponders:	45 (linear)
Transponder Bandwidth:	-
Coverage:	Asia, Indian Ocean region, China Sea and Indian Ocean region
