

Yamal-201 at 90°E Satellite details

Orbital Position: 90°E

Manufacturer: RKK Energiya

Launch date: 24 Nov 2003

Launch vehicle: Proton K

Expected lifetime: 12 years

Note: The Yamal-201 is co-located with the Yamal-202.

Communications Payload

	C-Band	Ku-Band
Active Transponders:	9 (circular)	6 (linear)
Transponder Bandwidth:	72 MHz	
TWTA Size:	55W (linearized)	
Coverage:	Russia, Middle-East, Eastern parts of Europe, Northern Asia	

Yamal-201 Satellite Footprint C-band
